Our membership is growing and we appreciate your support of the GBPA with your annual membership. Our newsletter will keep you apprised of all the latest developments on the restoration of the Historic Daniel Lady Farm in Gettysburg as well as other GBPA projects. If you wish to help in this restoration project with your time, talents and energy, please let us know. Prior experience is not necessary, we have many things to be accomplished and all help is greatly appreciated.

GBPA is an all volunteer organization with a proud history extending over 48 years and an even prouder future. Thank you for your membership and support.
